The diagram consists of two parts. On the left, a 3x3 grid of squares represents a set of sheets. The middle square is white and contains the number 29. The squares immediately above, below, to the left, and to the right of the center square are shaded gray and contain the numbers 22, 30, 37, and 38 respectively. The other four corner squares of the grid are also shaded gray but are empty. On the right, a large rectangle represents an 'Entity'. A small square, identical in appearance to the center square of the grid (white with the number 29), is positioned at the bottom-left corner of the entity. A line connects this small square to the top-left corner of the entity, indicating its location within the entity.
